Pillar 01 · Branding & Gifting

EVERY PIECE YOU HAND OUT CARRIES YOUR NAME FOR YEARS

A mug that loses its print after ten washes still has your logo on it. So does a golf shirt in the wrong red. You see the mistake once. Your clients see it every morning.

We colour-match to your brand book, show you a physical sample before production and deliver nationally on the date you set. You approve one sample, and every piece in the run matches it.

What we brand
THREE WAYS TO CARRY YOUR BRAND

01 Corporate apparel & staff gear

Golf shirts, softshells, fleeces and corporate shirting, embroidered, screen-printed, heat-transferred or sublimated to suit the fabric and the wash it has to survive. You get a size-set fitting before the bulk order, so you never end up with forty mediums nobody can wear.
