Pillar 03 · Digital Workplace

TEN MINUTES AT THE START OF EVERY MEETING ADD UP

Nobody complains about the AV when it works. They complain about the cable hunt at 09:00 and about the person dialling in who cannot be heard.

That is a hardware specification problem, and you can solve it. We specify per room, install, hand over to the people who use the room, and support it under an agreed SLA.

03 Inside this brochure

- Boardroom AV & video conferencing
- Collaboration & smart boards
- Control rooms, venues & large-scale AV
- 4 categories and what is in them
- Specification through to support

Why one supplier

One account, one delivery schedule and one invoice for everything on these pages. Tick what you need and we send back one consolidated quote.

What we install
FROM A HUDDLE ROOM TO A STADIUM

01 Boardroom AV & video conferencing

Room-scale cameras, microphone arrays, displays and wireless presentation, specified per room size. A four-seat huddle room and a fourteen-seat boardroom need different kit, and you pay only for what each room needs.

- Room-scale cameras
- Microphone arrays
- Teams / Zoom / Meet
- Booking panels

02 Collaboration & smart boards

Interactive smart boards and digital whiteboards for planning rooms, project spaces and classrooms, with wireless collaboration so a session never waits on the right adapter. Monitor arms, docking and ergonomic setups to match.

- Smart boards
- Digital whiteboards
- Docking & monitor arms
- Classroom AV

03 Control rooms, venues & large-scale AV

Video walls and monitoring displays built for 24/7 operation, plus large-format and immersive AV for stadiums, experience centres and church auditoriums, with control systems that let one operator run the room.

- Video walls
- 24/7 displays
- Large-format AV
- Venue control

Categories

FOUR CATEGORIES, FROM ONE ROOM TO A STADIUM

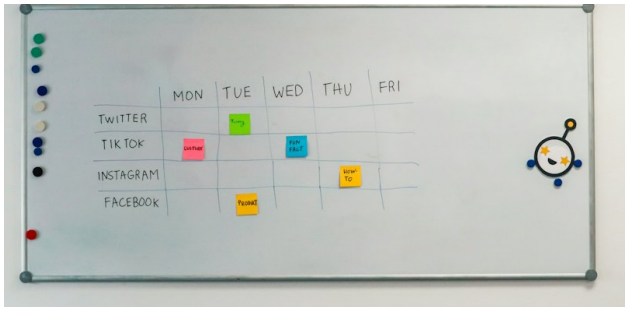

Tell us how many rooms, what sizes and which platform you run. Every category below is specified, installed and supported by the same team.

01 Boardroom AV & video conferencing

- Room kits
- Cameras
- Microphones & speakers
- Displays
- Wireless presentation
- Room booking panels

- Communication systems
- Large-format & immersive AV
- Venue control systems

8 PRODUCTS TO CHOOSE FROM

04 Survey, installation & support

- Site survey
- Installation
- User handover
- SLA-backed support
- Lifecycle planning

5 PRODUCTS TO CHOOSE FROM

INCLUDED

Specification through to support. Tell us how many rooms, what sizes and which platform you run. We survey, specify and quote the lot.

Clients benefit from:

Survey

01

Site survey

Dimensions, sightlines, acoustics and power, measured before we quote.

Installation

02

Installation

Mounting, cabling, commissioning and network integration.

Handover

03

User handover

A working session with the people who use the room.

Support

04

SLA-backed support

Agreed response times once the room is live.

Utilisation

05

Room utilisation

Usage reports per room, so the next fit-out runs on evidence.

Planning

06

Lifecycle planning

Refresh schedules mapped to your budget cycle.

Every order is tailored to your sites, your headcount and your budget.

Where this pillar lands

BUILT FOR TEN ENVIRONMENTS

Corporate
Boardroom AV, collaboration tools and ergonomic setups.

Experience Centres
Interactive AV and immersive tech solutions.

Stadiums
Large-scale AV and control systems.
